## NOVEMBER 2025

### Thought for the month

*God's masterpiece*

**"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago." (Ephesians 2:10 NLT)**

You are God's masterpiece because of the unique spirit, personality, and gifts that have been uniquely wired in you. Because we know that God is more brilliant than we could ever imagine, and because He loves us more than we could dare to hope, and because we know He writes great stories, we can trust what He has planned from beginning to end.

And His plan includes you. Yes, you! He has prepared good things for you to step into meaningful relationships and impactful work. He is continually putting people and opportunities in your path, as well as working inside of you, giving you the desire and power to do what pleases Him (Philippians 2:13). He has empowered you to partner with Him as we experience the greatest story on earth.

So as you consider how God has intentionally designed you and placed you at this specific point in history, what passions and callings has He placed on your heart? This could be one big thing, or several small things. As you think about that, what step do you need to take to pursue your calling with God-given confidence?
